The Westin Resort, Costa Navarino is a peaceful retreat located within Navarino Dunes, next to the crystal clear waters of the Greek region of Messinia, offering magnificent views of the Ionian Sea. One of the most unspoiled and breathtaking seaside landscapes, this area has been shaped by 4500 years of history.

## guest accommodations

Inspired by old Messinian mansions, the resort's low-rise villa clusters use natural stone and local design elements to create a motif in perfect harmony with virgin sandy beaches and the pristine hillside landscape. Our 445 deluxe rooms and suites, 123 with private infinity pools, offer access to extensive common pool areas and reflect Westin's soothing aesthetics. Rest in the signature Heavenly Bed® and feel total relaxation whilst you live in a pure and natural environment still very well preserved through the ages.

## facilities and services

Our 18-hole championship Dunes Course, designed by former US Masters Champion and Ryder Cup Captain Bernhard Langer, managed by Troon Golf, is set in a diverse landscape with spectacular sea views and is the first signature golf course in Greece. The 3500m<sup>2</sup> Dunes Club House accommodates a stand-alone golf academy, pro shop, restaurant and bar facilities all of which extend on to a spacious terrace.

Two specially designed children's areas, the "Cocoon" care centre and "SandCastle", emphasize the commitment to develop an environment of creative learning and fun for children up to the age of 3 and 12 respectively. These and other family related services and facilities make The Westin Resort a natural family destination.

Guests may also enjoy our 4000m<sup>2</sup> "Anazoe" spa and Thalassotherapy center with over 20 treatment rooms, which is centrally located within the resort.

## dining

Be inspired by experiencing different local and international flavours, in any of our distinct restaurants also offering open air dining facilities. Recharge body and mind in any of our pool, lounge, and chill-out bars, spread throughout the resort grounds all enjoying different views of the surrounding sea and land scape.
